Great morning to be out and about clearing overgrown hawthorn and brambles away from the bridleway and footpaths around the back of the Barrow Town Cricket Club before moving onto clearing the paths around Fishpool Brook of nettles. We went via Nursery Grove jitty so that's a little wider now too.

Ali and Sarah are in there somewhere!!

We left as much of the fruiting brambles as we could - still lots of fruit left for picking all around the jitties including plums, damsons and sloe as well as blackberries. Thanks to having a large team today, 12 of us, we also had enough time to tidy up the hedges along Melton Road towards Millennium Park that were beginning to encroach the pavement all along there.

Thanks to the team today: (L-R) Philip, Annette, Steve, Andy B, Andy S, Sarah, Bob, Pat, Ali, Anita. Thanks Nick for the photo and Julie.

**Next Task:**  
Thursday 09:30 8<sup>th</sup> September
