

<b>Task #</b>	23 - 10	<b>Date:</b>	08 June 2023	
<b>Meet:</b>	Nursery Grove for footpaths behind Cricket Club, then towards Fishpool Brook			

Started off behind the Cricket Club, before covering the exit to the footpath towards Nottingham Road, by the side of the allotments, and the bridleway towards Millennium park. All very overgrown, but once cleared we could see the wildflowers beneath coming thru.

Then a few areas along the length of Fishpool Brook footpath where brambles and nettles were already well over the footpath. Here we just cut them back to keep them in check, at least for a few more weeks.

Thanks to the team today: (L-R) Philip, Karen and Soo
