

Task #	23 - 15	Date:	20 July 2023	
Meet:	Shooting Close Lane			

Great turn out today by our volunteers to clear a couple of the busier jitties within the village.

First to get a tidy up was Shooting Close Lane. Starting at Melton Road the team removed overgrowth high and low to keep this path, which is partly shared with cars, as clear and safe as possible. We worked our way along to the Beveridge St end, sweeping and pruning as we went.

Next was Church Lane. We pruned the top growth from shrubs around the gravestones running alongside the jitty as well as removed soil and weeds in the gullies all the way along towards North St. A fantastic job all around. Thank you

Thanks to the team today: (L-R) Soo, Julie, Philip, Martin, Karen, Andrew, Ian, Steve, Bob, Nick

Next Task:

Thursday 27th July 09:30

Location: [Top of Buttermere Way](#)
