

Task #	23 - 17	Date:	10 August 2023	
Meet:	Navigation -			

A warm start to the day so the occasional bit of shade while we cut back nettles along the towpath between The Navigation and Deep Lock was most welcome. We also cut back the overgrown and low hanging branches while we went along.

Thanks to the team today: (L-R) Bob, Andy, Ali, Steve, Stewart and Julie.

Next Task:

Thursday 24th August **09:30**

Location: **Melton Road / Millennium Park**
