

Task #	23 – 19	Date:	14 th September 2023	
Meet:	Hunting Lodge			

We had 8 volunteers out today despite the rain, starting with Grove Lane to Sibley Road jitty - short stretch but always well used despite being overgrown. Lots of green waste removed, 3 brown bins filled to the brim - but it should be ok now until spring.

Then on to Sibley Road to Avon Road jitty - another well used path and another 3 brown bins filled.

Thanks team for turning up and getting wet thru - superstars - Alistair, Stewart, Pat, Steve, Honor, Philip and Julie.
