

Task #	24 – 02	Date:	25 Jan 2024	
Task:	Towpath Repairs - from Barrow Boating end			

We continued with our towpath repairs today - carrying on from Barrow Boating towards Deep Lock. It's a long way with a full wheelbarrow load! But well over half way now and looking good. Another day and a drop of light rain will help to set the grano mix.

Thanks to the team today: (L-R) Steve, Bob, Margaret, Alistair, Andy, Philip, and Trevor. Plus, Honor, Julie, and Nick off camera

Thanks to Canal and River Trust for providing the tools and materials.

Next Task:

Thursday 8 Feb 2024 10:00
