

Task #	25 – 10	Date:	15 th May	
Task:	Riverside View Benches and Planters			

Bit cooler this morning but it did mean it was perfect weather for today's task at Riverside View - our annual staining of the benches and painting of the planters.

We have 10 volunteers today so we soon rubbed the wooden benches and planters down and gave them a first coat. The plastic benches and planters were also given a good scrub and wash down.

After a quick break for refreshments we put on the second coat of stain and made sure the 'Wet Paint' signs were out and clearly displayed while everything dried.

Thanks to the team today, Margaret, Karen, Bob, Steve, Nick, Patricia, Alistair, Anne, and Trev the Trolley

Benches before:

Volunteers busy restoring the benches and planters

Benches and planters after

Next Task:

Thursday 29th May **09:30**

Meet: **Millennium Park main entrance area – Melton Road entrance**
