

Barrow Community Litter Pickers

Date:	Monday 7 th February 2022
Location:	Meet at the Navigation Inn

A fantastic turn out today from our team of eager ditch divers. And boy, didn't we do a lot of ditch diving. Starting in the area just after One Man Bridge, we cleared bottle after bottle, and can after can. We were about 5 bags in before we started to warm up. The advance party was sent to the area around the A6 bridges and another massive amount of rubbish was dug out of the grasses and brambles there too.

The last stretch was from the A6 along the track to Waitrose – plenty to find along there too. It took a few trips up and down the track to bring all the bags up, but we were really grateful to Waitrose for agreeing to dispose of the rubbish today.

8 volunteers in total with **20 bags** of grot removed from our lovely countryside.

Thanks to the team today: (L-R)
Ian, Liz, Alison, Ann, Sarah, Bill and Andrew

Next Event:
Date & Time: Monday 7th March 10:00
Meeting Point: Breachfield Rd/Melton Rd junction
