

Barrow Community Litter Pickers

Date:	Monday 19 th February 2024
Location:	Meet at Barrow Boating Entrance area

We started with a beautiful sunny day and 10 eager volunteers, but with the original area - along the river - being completely under water, we had to come up with a new plan and quickly. So, after a very quick pick around Barrow Boating, (our meeting place), we then walked up Mill Lane, around Pigs Close and Holbourne Close, before our final destination of the old station car park on High St.

It is a spot that never lets us down unfortunately, with lots of beer/drinks bottles and cans, lots of take away rubbish that all gets pushed into the Ivy and trees, and today we also found a nappy and some strange smoking pot. Must be the place to party! Thanks to Charnwood Borough Council for all the kit - picks, hoops, gloves, and bags. And also, for the last-minute request to collect the rubbish.

Many thanks to our pickers today: Stewart, Karen, Anita, Philip, Julie, Nick, Andy, Steve & Wendie, and Trev . 7 bags to be logged.

Next Event:
Date & Time: Monday 26th February
Meeting Point: Main entrance to Millennium Park
