

Barrow Community Litter Pickers

Date:	Monday 18 th March
Location:	One Man bridge, along the river, fields & hedgerows towards A6 overpass

Another great picking event today - this time along the river from One Man Bridge towards the A6 overpass.

We collected 20 bags in the hour - with lots of flood rubbish at first by the river. We then found lots of road flotsam towards the end all around hedgerows at the bottom of the A6 overpass. This area should be a haven for wildlife but it's far from it at the moment - we'll be back to help clear it up a bit.

Warmest welcome to 2 new volunteers today - Jayne and Keith, and many thanks to our other volunteers - Ann, Karen, Ian, Alison, Steve & Wendie, Anita and Trev

Next Event:
Date & Time: Monday 25th March
Meeting Point: Entrance area to Barrow Boating
