Litter Pickers

Date:	Monday 6 th May
Location:	Barrow Weir Wash area

Happy May Day Litter Pick today, starting from Barrow Boating and working our way around the back of the wash from the main weir.

An incredible 15 heavy bags of rubbish along with tires, planks and a large child's plastic toy. There were lots of tiny bits of plastic caught up on branches from the floods, as well as cans and bottles half buried in the soft mud.

Unbelievable amount removed thanks to our volunteers today, Keith, Wendie & Steve, Ian, Nick, and Jayne

Thanks to Canal and River Trust who will collect the rubbish tomorrow, Frank from Barrow Boating for letting us leave it there, and Charnwood Borough Council for the bags.

Next Event:
Date & Time: 3rd June
Meeting Point: tbc
