

Barrow Community Litter Pickers

Date:	Monday 1 st July 2024
Location:	Holy Trinity Church

Instead of a litter pick session today our volunteers met to tackle the weeds in the rose beds and to paint the benches at Holy Trinity Church Peace Garden. The weeds had started to take over with the wet, then warm, weather despite a recent weeding in May. All 4 benches needed a thorough sanding before a coat of stain was applied. But what a difference our 6 volunteers have made - plus the newly planted, and heavily scented new roses, was a treat for your eyes - and nose. Thanks to the team today, Steve and Wendie, Bob, Anne, Andrew and Trev
