

Barrow In Bloom 2021

Refreshing the old rose beds at Holy Trinity Memorial Gardens September/October 2021

Prior to work starting:

Weeds abound!

Once completed:

Looking wonderful!

We started off with the weeding – what a lot there was.
Over 2 days, and with 2 teams we managed to get them all out

Team 1 – Colin, Rachel, Andy and Annette working on the top bed

Team 2 – Jane, Sharon, Karen, Bill, Annette and Andrew working on the bottom bed

Getting the Matting down – Team 1
Another great day to be outside – both beds protected.

Planting the geraniums – Team 2
25 plants in each bed and help from Matt too.

Removing the weeds – Brown Bins
Thanks to Eleanor from Charnwood Borough Council for helping out

We had to use 8 brown bins to remove this massive pile of weeds

Woodchip in abundance

Thanks to Charnwood Borough Council and idverde for supplying the woodchip for both beds.

It'll take a few months to rot down and settle into place but by spring next year we should be starting to see full beds of blue geranium, with a few red roses inbetween.

Thanks to the following organisations for all your support and help to ensure this project could succeed:

Holy Trinity Church
Charnwood Borough Council
Idverde
McQueen Wealth Management Ltd

Volunteers:

Andy, Rachel, Colin, Andrew, Bill, Jane, Sharon, Matt, Karen, Paul, Nick, Honor, Bob, Philip, Annette
