

STATION ADOPTION GROUP

BARROW UPON SOAR

Barrow Railway Station Adoption Group

Sunday 8th Jan 2023

6 volunteers out this morning at the railway station giving the embankment alongside platform 1 a good weeding. The steps were also swept clear and the planters and some of the metalwork were all washed down- all looking smart again.

We are hoping to hear soon about gaining permission for installing sleepers along the embankment edge to prevent the soil from rolling down onto the platform. We will then backfill with additional soil and seasonal planting to make the station a wonderful and colourful station to be. They may also provide some additional but informal seating.

Thanks to Alison, Ian, Nick, Jane and Julie for joining me today

Date of next task: Sunday 5th Feb 2023 10:00
