Barrow upon Soar Station Adoption Group

Sunday 15 October 2023

Volunteers were out twice today at the railway station, leaf sweeping - Liz and I enjoyed a lovely sunny morning there, and this afternoon back there for some planting with the Gardening Gang - Julie, Jane, Honor, Bill and Andrew.
Thanks team

Platform 1 is looking just amazing now - pockets of young shrubs and plants that will fill out over the coming years and some space left for summer planting still to come.
