

STATION ADOPTION GROUP

# Barrow Railway Station Adoption Group

Sunday 2<sup>nd</sup> October 22

9 volunteers out and about doing a couple of different jobs at the railway station this morning. The bicycle parking area got a good tidy up but the main job was the ongoing painting of the fences on platform 2.

With the sun out it was a bit of a sun trap down there but we are making the most of it to get this work done as soon as we can. Well over half way now and it's looking great.

Thanks to Honor, Alison, Andrew, Ian, Nick, Steve, and those not on the photo, Stewart, Jane and Annette.

Date of next task: Sunday 30<sup>th</sup> October 10:00
