

# Barrow upon Soar Station Adoption Group

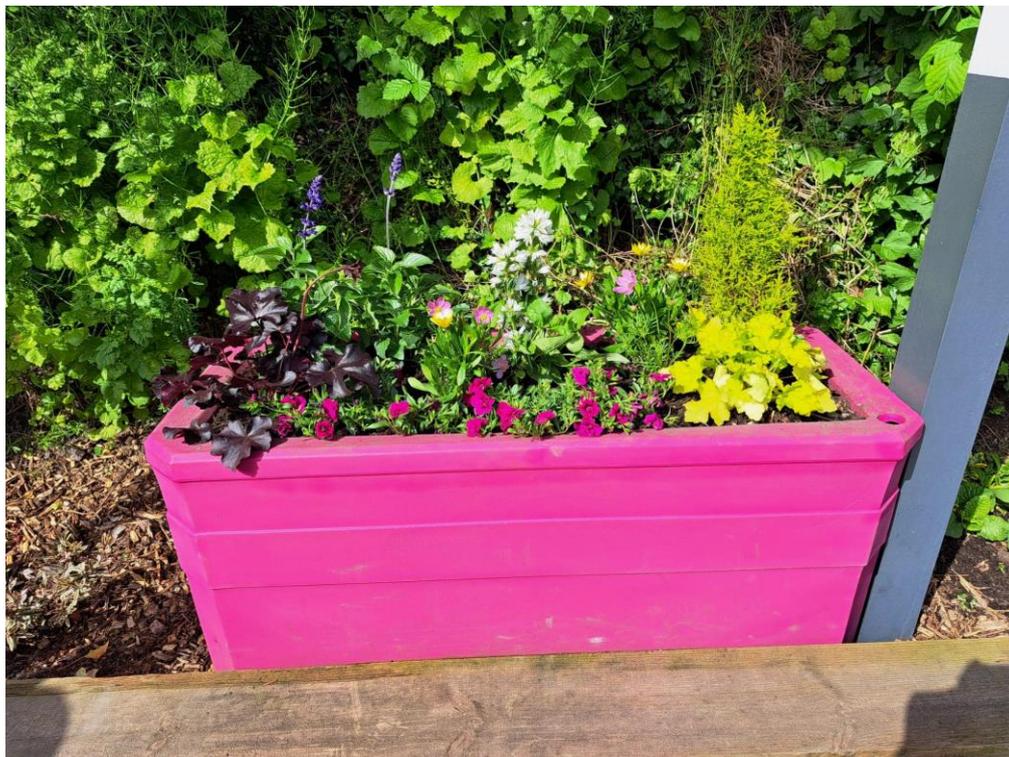

Sunday 26<sup>th</sup> May 2024

A busy weekend for our volunteers at the railway.

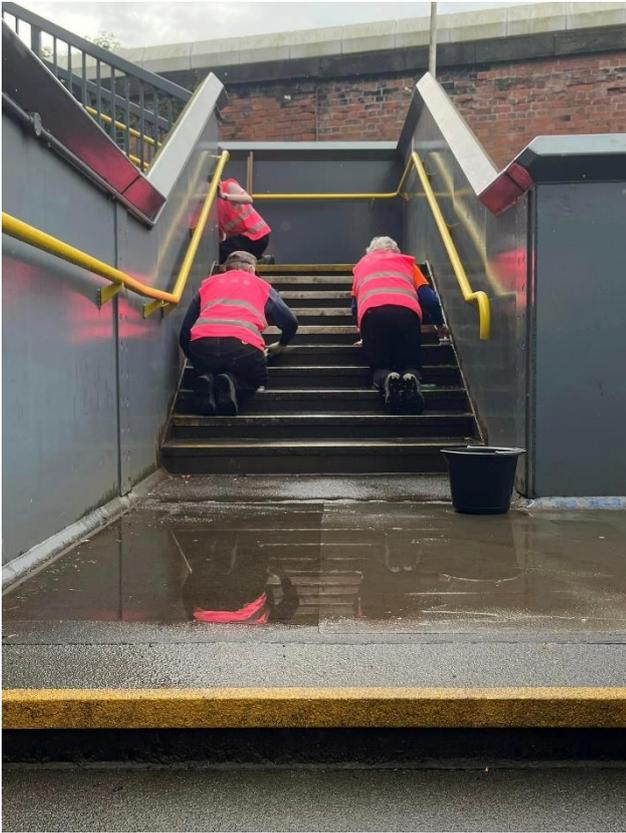

Yesterday Bill, Andrew and Honor went plant shopping to refill our pink planters with a lovely mixture of perennials and annuals - they look wonderful. Today our volunteers Nick, Karen, Steve and Philip scrubbed years of accumulated mud from the steps leading to both platforms - the light rain helped too. This was all done with hand scrubbing brushes with buckets of water, followed by hard brushes and more buckets of water. What a difference we made - hopefully lots safer now for those using the station during the late evenings.

Our gardening team were also there today weeding and watering. Thanks to Julie, Jane, Bill and Andrew

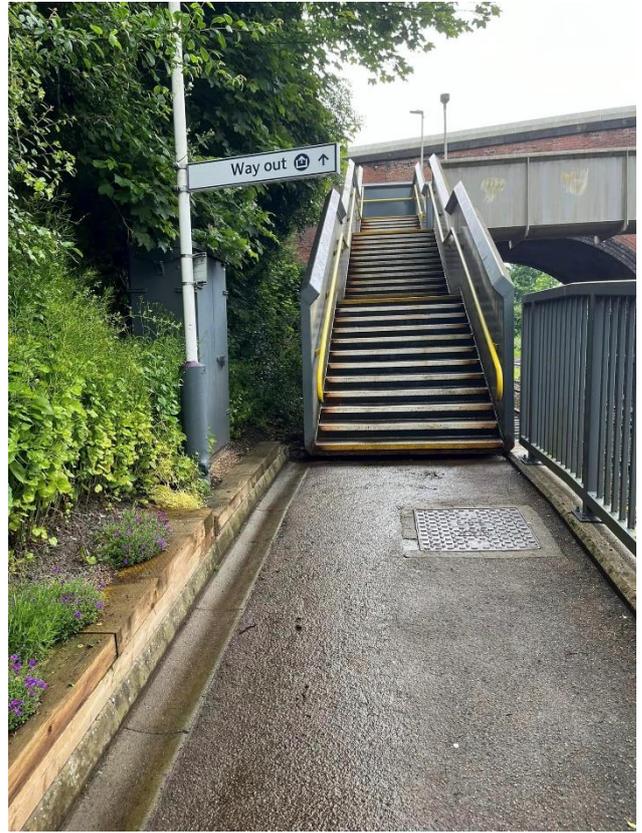

Thanks to both teams for all hard work over the Bank Holiday weekend

New plants in the big pink planters

Bottoms up - part way down and really beginning to see the paint again on step edges

Steps down the platform one - safe again

Just finished scrubbing the steps to platform 2
